| Image | Game Name | Short Description | Long Description | Category | Price | Action |
|---|---|---|---|---|---|---|
| | Illusion Connect | Illusion Connect Launches With A Host Of Events After Hittin | Illusion Connect is a real-time action strategy game on mobile. The game allows players to build connections with various partners named “Radiants” and socialize with them in different ways. These Radiants are all voiced by top vocal talents like Hitomi | Action-adventure games | 142 | |
| | Creative Destruction Advance | Creative Destruction is a sandbox survival game | Creative Destruction is a sandbox survival game that features the utmost fun of building and firing. In the mood for a heart-stirring showdown? You will parachute into a vast battlefield where 100-player | Simulation games | 43 | |

Activate Windows
Go to Settings to activate Windows.

- Hope You could manage your databse form backend.
- Thanks

- Note:-
- Please don’t change your database name, table name and fields name.
- If you want to do it.
- You have to change these names in project files too.
